Welcome to the cabin's first newsletter for the end of autumn term one 23/24.

We have enjoyed welcoming back our pupils and those that are new to us this term. We hope that you and your families are keeping well and that you had a lovely summer break. It has been lovely seeing the pupils coming into school and settling in well.

What the children have been up to: -

Forest School

The children have been enjoying getting stuck back in down at forest school. The Children are seeing the different season changes in the woodlands area. They have been using equipment such as a bow saw and hand drills. With the help of recent heavy rain, we have a few extremely muddy puddles, some of the children enjoyed the sensory feel of the mud. Some children have been helping to put up shelters around the woodland area. We have a few new swings on the grandmother tree. After half term on a Thursday afternoon the children will be part of Miss Wilson's pilot trial for her completion of level 3 forest school leader course.
